### **WHAT TO BRING**

For your stay at Bryant University, you will need to know the following about the dorms and what to bring:

Some of the dorms are not air-conditioned, so you may want to bring a fan. You will be using communal bathrooms (as the dorm rooms do not have private bathrooms). Linen provided by the college includes 2 sheets, 1 pillowcase, 2 bath towels, 1 pillow, and 1 blanket. (Youth to Youth charges participants for items not in their rooms at checkout. Participants may pay these charges at checkout or be billed. This also pertains to any other damage costs caused by participants.)

Cell phones and other electronic devices are not recommended. They can cause a disturbance and/or distraction to the conference. All use of cell phones which includes texting is prohibited during the conference. Exceptions are in your dorm, **before** lights out, or at meal times to parents. In case of emergency, participants and staff should be reached through the Youth to Youth office (this number is listed in this packet). All participants and staff should carry these items in a backpack, although we recommend not bringing them at all. (Adults needing to connect to office or family are asked to use their cell phones discretely during meal times or breaks).

You will also want to bring the following: casual and comfortable clothing, camera (optional), pens/pencils, watch, alarm clock, and a key chain. **Bring a bathing suit** for the "Wii Sports +"! Also, some activities may require physical activity, so bring tennis shoes. Bring some extra money for snacks at the evening events or to purchase promotional items and concessions. Do not bring valuable items! Youth to Youth is not responsible for lost or stolen items.
